FINITURE INTERNE | INTERIOR FINISHES

Il pannello interno può essere in metallo oppure in pelle con effetti e colori diversi. Come il passepartout di un quadro, questo elemento consente di focalizzare e quindi valorizzare l'immagine incorniciata, che nel Quadro Vino sono le bottiglie più importanti.

The internal panel can be made of metal or eco leather with different effects and colors. Like the passepartout of a painting, this element allows you to focus and thus enhance the framed image, which in Quadro Vino are the most important bottles.
